P.C. :

1. Heard.

2. This application is misconceived. The order passed by me on July 12, 2006 is not one of dismissing the contempt petition for default. I have made observation on merits as well. Viewed thus, there can be no review of the said order, as the subject proceeding is contempt petition. There is no jurisdiction of review in Contempt matter, as held in the case of **Metal Box India Ltd.V/s.State of Maharashtra & Ors. reported in 2004(5) Bom.C.R.606.** Hence dismissed with liberty to take recourse to such remedy as may be available in law.
